

## Parent Opt-in For Digital Library Collection

Dear Parents and Guardians,

We wanted to make you aware of a new district policy related to Lamar CISD's Digital Library Collection, giving parents the ability to allow their children to access library books digitally. The new policy empowers parents and guardians with greater control but also requires them to opt-in in order to ensure their student has continued access to the district's extensive digital library collection.

Effective November 19, 2024, Board Policy EFB (Local) now requires parental consent for students to access content in the digital library collection. eBooks in the library collection are digital versions of books that can be read on electronic devices such as tablets, e-readers, and computers. These eBooks provide the same content as physical books, but in a convenient digital format, making them easily accessible from anywhere. Our digital library collection adheres to the same careful selection policies as our physical campus libraries, ensuring age- and grade-appropriate content for all students. Students will only have access to materials suitable for their grade level, as determined by Board Policy EFB (Local).

To support your role in guiding your child's reading, the Lamar CISD Library Services department encourages you to provide consent for your child's access to this valuable literacy and learning resource. The simple opt-in process can be accessed in the Skyward Family Access Center under the "Online Forms" menu option.

You can also follow the step-by-step directions available <u>HERE</u> to access the form in Skyward Family Access. If you have any questions about the opt-in process, or Lamar CISD's Digital Library Collection, please contact LCISD Library Services Coordinator, Sarah Falcon, <u>Sarah.Falcon@LCISD.org</u>.

## Autorización de los padres a acceder a la biblioteca digital

Estimados Padres y Tutores de Lamar CISD,

Nos gustaría comunicarles de la nueva política del distrito relacionada con la Colección de Libros de la Biblioteca Digital de Lamar CISD, la cual otorga a los padres la posibilidad que sus hijos tengan acceso digital a los libros de la biblioteca. La nueva política permite a los padres y tutores un mayor control, pero también requiere se elija, a fin de garantizar que el estudiante tenga acceso constante a la amplia colección de libros de la biblioteca digital del distrito.

A partir del 19 de noviembre de 2024, la Política de la Mesa EFB (Local) ahora solicita el consentimiento de los padres para que los estudiantes puedan acceder al contenido de la colección de la biblioteca digital. Los libros electrónicos de la colección de la biblioteca son versiones digitales de libros que se pueden leer tanto en dispositivos electrónicos como tabletas, lectores electrónicos y computadoras. Estos libros electrónicos proporcionan el mismo contenido que los libros impresos, pero en un formato digital práctico, por lo que se puede acceder a ellos fácilmente desde cualquier lugar.

La colección de nuestra biblioteca digital sigue las mismas políticas de selección rigurosa que nuestras bibliotecas de los campus físicos, el cual asegura un contenido apropiado para la edad y el grado de todos los estudiantes. Los estudiantes tendrán acceso únicamente a materiales apropiados para el nivel de grado, según lo determina la Política de la Mesa Directiva EFB (Local).

Para respaldar el papel que usted tiene como guía en la lectura de su hijo, el departamento de Servicios Bibliotecarios de Lamar CISD lo motiva a dar su consentimiento para que su hijo tenga acceso a este valioso recurso de enseñanza y aprendizaje. El proceso de autorización es sencillo y se puede realizar en Skyward Family Access Center bajo el menú «Online Forms» (Formularios en línea).

Si lo desea, también puede seguir las instrucciones paso a paso que encontrará AQUÍ para acceder al formulario en Skyward Family Access. Si usted tiene alguna pregunta sobre el proceso de autorización "opt-in", o a su Colección de libros de la Biblioteca Digital de Lamar CISD, por favor comuníquese con la Coordinadora de Servicios de la Biblioteca de LCISD, Sarah Falcon, <u>Sarah.Falcon@LCISD.org.</u>
