

Calling all 5th Grade Future RMS Longhorn Parents!

We would like to invite all future Longhorn parents to our course selection information night at Polly Ryon Middle School, this Thursday night in the RMS Cafeteria.

The purpose of our meeting will be to review RMS Longhorn expectations, present information regarding the course selection process, and give parents general information for their incoming 6th grader to ensure a smooth transition into 6th grade.

Please keep in mind, this meeting is more of a parent only information meeting. Later, we will be having a Meet and Greet Scavenger Hunt in August for our all incoming RMS 6th graders, to personally assist them in becoming more comfortable with our building layout and procedures before the first day of school.

Date: Thursday January 30, 2014

Time: 6:30 p.m.-7:30 p.m.

Place: Ryon Middle School Cafeteria

(Due to limited parking in the front of our building, we suggest you park in our rear parking lot and enter through the covered walkway into our cafeteria.)
