Demographics

Demographics Summary

Navarro Middle School is a unique campus in Lamar Consolidated ISD, as it is one of few sixth grade campuses in Texas. We are home to the glorious Rangers. We are located in Rosenberg, Texas, which is a suburban city southwest of Houston, Texas. Navarro Middle School which serves 6th grade students. The campus has a current student enrollment for the 2023-2024 school year of approximately 371 students. Navarro Middle School is on the "Red Track" and receives students from elementary schools that include Taylor Ray, Travis, Culver, Bowie, and Beasley. Our campus demographics have an ethnic distribution of 79.5% Hispanic, 0.77% Asian, 11.04% African American, Native American 0.17 and White 6.84. 73.57% of the student enrollment are Economically Disadvantaged, 32.5% Limited English Proficient, 25.09% Special Education and 61.21% at risk. Our campus is a Title One Campus with 73.57% of our students considered Economically Disadvantaged. Our cultural and social concerns are with addressing the achievement gaps for all of our students.

Demographics Strengths

Navarro Middle School is a culturally diverse campus of students and staff. Students from various ethnic, economic and educational backgrounds receive services from a variety of programs. Navarro Middle School teachers and paraprofessionals are all highly qualified to serve our students.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Not all demographic populations have achieved their full potential academically or behaviorally. **Root Cause:** A diverse population requires deep understanding of the needs of various learners while implementing a common set of values and expectations as a school.

Problem Statement 2: Our ELA SPED students performed at a lower rate than our Math SPED students. **Root Cause:** General education teachers and special education teachers working together in a co-teach model.

Student Learning Strengths

During the 2021-2022 school year Navarro Middle School strengthened our Professional Learning Community process by involving district instructional coaches. Our department heads and instructional facilitators attended Visible Learning Training. Navarro Middle School is part of the Holdsworth Center Campus Leadership Program.

During the 2021-2022 school year Navarro Middle School first year monitor students Approached ELA with 100%, Meets 0% and Masters 0%. All first year monitor students

Approached math with 100%, Meets 0% and Masters 0%. Navarro Middle School second year monitor students Approached with 100%, 87% Meets and 47% Master in ELA. In math, all second year monitor students Approached 93%, 53% Meets and 33% Master.

During the 2021-22 school year, Navarro Middle School students showed growth in the STAAR Reading assessment. Overall data indicates a +12% Approaches, +12% Meets, and +8% Masters which moved the campus from a D to a C rating.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: 38% of our students did not Approach on the Math STAAR assessment. **Root Cause:** Intentional small group instruction was not implemented with fidelity. A math teacher resigned at the start of the second six weeks of school which left a vacancy for the entire second semester.

Problem Statement 2: 27% of our students did not approach on the Reading STAAR assessment. **Root Cause:** All instructors were not presenting the instructions at the same level of rigor to ensure student growth and success.

Problem Statement 3: 65% of our SPED students did not Approach on the Reading STAAR assessment. **Root Cause:** The co-teach team did not collaborate and implement effective co-teach models consistently.

Problem Statement 4: Our campus has historically not achieved student growth once students transition from elementary. **Root Cause:** Teachers not using the appropriate scaffolds to meet all learners where they are ensuring that students increase the level of achievement from 5th grade.

School Processes & Programs

School Processes & Programs Summary

NMS currently has a highly qualified staff per state certification standards that is professional and attentive to the needs of students. Research demonstrates that teacher retention goes hand in hand with professional development. Here at NMS we provide various opportunities for professional development on campus and off campus. Our teachers select their professional development based on areas of growth. NMS also sends teachers to Region IV sessions, conferences, and any other applicable trainings for personal growth with classroom management or any other identified need. The administrative team conducts weekly classroom walk throughs (CWTs) to ensure teachers are implementing strategies learned during their PD sessions. The team provides teachers with feedback so they know what is going well and what should be improved. Professional Learning Communities (PLCs), both content teams and by departments, meet on a regular basis to evaluate and adjust instruction to meet the needs of students. During a PLC session, novice and veteran teachers collaborate on instruction to ensure academic success. Mentor teachers are assigned to any first year teachers and buddy teachers are assigned to experienced teachers who are new to the campus to provide support with campus policies and procedures as they learn to navigate the campus. They meet regularly to provide additional information to teachers who are new to the profession. NMS participates in the LCISD Job Fair in the Spring to recruit highly qualified teachers to join the team.

School Processes & Programs Strengths

All NMS teachers and instructional paraprofessionals are highly qualified. NMS will continue to recruit the most highly effective teachers and paraprofessionals. At NMS we currently have two instructional facilitator (Reading/Social Studies and Math/Science) and a Campus Testing Coordinator that aides with instructional professional development. Each of these staff members play an integral role in supporting teachers, staff, and students.
