Classlink Tips for Parents

Tip 1

Students can access district programs through ClassLink. ClassLink is our Single-Sign On program that allows students to sign in to one source and all passwords for other applications have been saved. Simply go to the LCISD website at www.lcisid.org and select the ClassLink button at the top of the screen or install the ClassLink app on mobile devices.

Tip 2

If using a desktop or laptop make sure to download Google Chrome to your device.
